Case No. 07-4162 (WHA)

**NOTICE OF PENDENCY OF OTHER
ACTION OR PROCEEDING OF
SPECIALLY APPEARING DEFENDANT
CANDOVER INVESTMENTS PLC**

1 The undersigned counsel of record for specially appearing defendant Candover Investments
2 PLC certifies that this case appears under the criteria set forth in Civil Local Rule 3-13 to involve all or
3 a material part of the subject matter in the following actions currently pending before another federal
4 court:

- 5 • Janvrin, et al. v. Hilsenrath, et al., United States District Court, Northern District of
6 California, Oakland Division, Case No. C-02-1068 CW (filed March 5, 2002). All
7 parties in this action are proceeding *pro se*.
- 8 • Hilsenrath, et al. v. Nixon Peabody LLP, et al., United States District Court, Northern
9 District of California, San Francisco Division, Case No. C-07-3193 CW (filed June 18,
10 2007). The plaintiffs in this action are proceeding *pro se*. The defendants have not yet
11 appeared in this action.
- 12 • Hilsenrath, et al. v. Equity Trust, et al., United States District Court, Northern District of
13 California, San Francisco Division, Case No. C-07-3312 CW (filed June 25, 2007).
14 Each defendant filed a motion to dismiss this action, which the Court will hear on
15 September 27, 2007 at 2:00 p.m.

16 As stated in the Administrative Motion of Specially Appearing Defendant Candover
17 Investments PLC to Consider Whether Cases Should Be Related, filed on August 24, 2007 in the
18 matter of Janvrin, et al. v. Hilsenrath, et al., Case No. C-02-1068 CW, the preceding cases, which have
19 already been related, involve substantially the same parties and transactions and call for determination
20 of the same or substantially identical issues of fact and law as does the instant action. Oliver
21 Hilsenrath is a party in all of the actions, and filed three of them. The instant action alleges additional
22 claims against two defendants Mr. Hilsenrath named in Hilsenrath, et. al. v. Equity Trust, et al., Case
23 No. Case No. C-07-3312 CW. These additional claims arise from substantially the same alleged events
24 that form the basis of his claims in Hilsenrath, et. al. v. Equity Trust, et al., Case No. Case No. C-07-
25 3312 CW.

1 Coordination of these actions would conserve judicial resources, promote an efficient
2 resolution of these nearly identical claims and eliminate the risk of conflicting results.

3 Dated: September 4, 2007
